About Me

My Name is Warren Clark. I am from Knoxville Tennessee and naturally, I love the UT Vols. I have a lovely family. My wife, Allison, and my son Leo who is eight. I currently have a stable of animals that we take care of, Quails, Rabbits, and four crazy Dogs. I am employed at Target as a Target Security Specialist. Through Target's affiliation with Guild I am attending a bootcamp that will help me pursue a career as a Full-Stack Web Developer!
